MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Midcareer Training Programs

STAT REFERENCE : [redacted] dated 29 March 1963, entitled Midcareer  
Training Program

Action Memorandum No. A-336 dated 18 December 1963

1. My responsibilities as Chairman of the Training Selection Board require, in part, that I have certain information relative to the midcareer training program which will be planned for selected employees in each Career Service. I hope that you will be able to help me in this endeavor.

2. Of high significance are the criteria used in selecting employees for a midcareer program. Among these criteria should be the age, grade, and methods of evaluating performances and growth potential. In addition, I am interested in knowing the number of employees whom you select for midcareer training, including those who may not be selected for the formal Midcareer Training Course. These figures should be submitted as total numbers by grade and include estimates for Fiscal Years 1965 and 1966.

3. Your early response to this inquiry will be most appreciated, and will facilitate the implementation of a sound and coordinated Midcareer Program. It is probable that further requests of this nature will be forthcoming; in the meantime, I will be pleased to respond to any questions which may arise concerning this program.

In keeping with your instructions contained in referenced memorandum, I plan to send the attached memorandum to the four Deputy Directors.
